

Twilight SERIES®

You Can Never Have Too Much Good

RELAX. IT'S  Master Spas®

There is no better time than Twilight. Amid the busyness and stress of daily life, there is a break in the day. It's the time where you can find the space to make time for yourself. Whether you want to soak in the quiet or reconnect with loved ones — embrace the opportunity to focus on total well-being. The beauty of owning a Twilight Series® hot tub is that you rule the best part of your day.

You can never have too much good.

Designed to restore body and spirit, the Twilight Series' exclusive features and indulgent design create an unrivaled spa experience. The innovative water management system makes spa maintenance and care effortless. Enjoy clean, clear, fresh-smelling water with less work — year-round, in any climate.

Discover more about the Twilight Series because you can never have too many good things in life.

Twilight
SERIES®

 BY MASTER SPAS

STRESSRELIEF NECK AND SHOULDER SEAT™
Strategically placed jets and magnets provide the ultimate tension relieving therapy.

MASTER BLASTER® FOOT THERAPY SYSTEM
Treat your feet to soothing, massaging jet action.

HYDROTHERAPY JETS
From the full-body massage, to concentrated neck and shoulder relief, to lounge and cool-down seats, you get the spa experience that's just right for you.

Your whole being will say “Ahh.”

Your perfect spa experience awaits with a Twilight Series hot tub. Indulge in a full-body massage or relieve neck and shoulder tension. Relax into a contoured lounge seat or take a moment in a cool-down seat. With adjustable jets and easy-to-use temperature settings, you can direct the pressure and relieve life's stresses.

Our StressRelief Neck and Shoulder Seat™ features a ledge with specially designed jets that are positioned downward — putting your neck and shoulders under the jets for the ultimate tension-relieving massage. Our exclusive Master Blaster® Foot Therapy System uses dual jet clusters with 28 total individual nozzles designed to rejuvenate your body through an encompassing foot massage. When you feel the stress-relieving power of the hydrotherapy jets in each ergonomically designed seat, you'll wonder how you lived without it.

Magnetic Therapy

Our exclusive Master Force™ Bio-Magnetic Therapy System offers the benefits of magnetic therapy in the comfort of a hot tub. Magnetic therapy has been used for centuries to help relieve pain, improve circulation, reduce swelling and alleviate stiffness. Today, more and more doctors and physical therapists are using magnetic therapy for the treatment of back problems, arthritis and sports injuries.

That's why Master Spas, after extensive research and development, chose to combine the proven benefits of hydrotherapy with the pain-relieving comfort of bio-magnetic therapy. Our Master Force™ Bio-Magnetic Therapy System applies strategically placed magnets to two pressure points behind the neck and eight throughout the shoulders, back and seat areas in our exclusive StressRelief Neck and Shoulder Seat.

LOUNGE SEATING
Ergonomically designed to fit the contours of your body, our lounge will wrap you in ultimate therapeutic comfort.

SOAK IN THE WARMTH
In a matter of minutes, your tension will disappear.

STRESSRELIEF NECK AND SHOULDER SEAT™

MasterSpas.co.uk

Music, laughter, family and friends

As remarkable as a Twilight Series hot tub is for relaxation and hydrotherapy, it also provides the perfect setting to bring family and friends together. Since everything about this hot tub is delightfully stress-free, you'll have peace of mind when you're entertaining. Controls offer one-touch digital ease and consistency so you can truly relax while the hot tub does all the work. The Orion Light System™ beautifully illuminates the cascading waterfall and topside controls. Dream Lighting* adds beautiful soft streams of light to accent the exterior corners of your hot tub at night. The Fusion Air Sound System* provides the music and brings the perfect atmosphere to your occasion.

With a Twilight Series hot tub, you can live in the moment amid quality and good times.

One of my favorite things about purchasing this hot tub is that I have been hanging out more with my kids – I have two 13-year olds and a nine-year-old. So a lot of times, when I'm using it at night, we'll have these conversations about life that I don't think we would be having if we didn't have the opportunity to shut off all the screens. So that's been a really cool thing about it.

— Marcy L., Ayer, MA

FUSION AIR SOUND SYSTEM

Two interior water resistant speakers and a subwoofer maximize the sound quality of your music. This optional system comes with a water resistant remote and connects quickly and easily through the Bluetooth of your phone or other device allowing you to stream your favorite station or playlist.

ORION LIGHT SYSTEM™

LED lights beautifully illuminate the water as well as the cascade waterfall and topside controls.

CASCADING WATERFALL

Create a tranquil yet inviting space in the privacy of your garden. The cascading waterfall feature adds to the overall relaxation of your Twilight Series hot tub by Master Spas.

Clean, pure water

At Master Spas, we want you to spend more time enjoying our products and less time taking care of them. That's why we developed the exclusive and patent-pending EcoPur® Charge Master Core Technology water purification system — a filtration system that makes maintaining your hot tub's water easier. Using the same multi-stage filtration techniques as Mother Nature, EcoPur Charge relies on a unique blend of copper and zinc, which eliminates most microorganisms and removes heavy metals from the water. This results in sparkling water that feels softer and doesn't have the harsh chemical smells associated with common systems.

Mast3rPur™ Water Management System*

The synergistic blend of three proven natural sanitizers provides water quality and care not found in any other hot tub, including those with salt systems. The Mast3rPur Water Management System dramatically reduces harsh chemical consumption, like chlorine, while removing many heavy metals and chloramines for water that looks crystal clear, smells fresh and has a silky feel. This innovative, exclusive benefit is due to the power of three elements:

When absorbed in water, **ozone** kills pathogens and microorganisms, destroys organics and oxidizes non-organic contaminants.

When germicidal **UV-C light** is exposed to water it inactivates microorganisms and breaks down chloramines.

The unique combination of **copper and zinc** in the patent-pending EcoPur Charge filters creates an electro-chemical reaction to eliminate many microorganisms and remove heavy metals such as lead and mercury.

Each of the three elements are proven effective water management tools but when they are combined, they are dramatically more effective because of Advanced Oxidation Process (AOP). AOP is superior to other systems because it produces powerful hydroxyl radicals, which maximize disinfection and reduce chloramines fast and effectively. Clean, clear, fresh smelling and silkier water is available now with less work... another innovative, exclusive benefit only available through Master Spas.

QuietFlo Water Care System™*

Spend more time enjoying your spa and less energy keeping it clean. With the QuietFlo Water Management System, a dedicated circulation pump keeps your water, clean, clear, and fresh smelling. This energy-efficient system moves the water through the filters — all without turning on the jets.

The synergy of the three elements combined with continuous circulation creates a simplicity and efficiency in water sanitation that is unmatched. The result is cleaner water with less chemicals, ensuring that your hot tub is ready when you are.

MAST3RPUR™

A synergistic blend of three proven natural water sanitizers combine to make a dramatically more effective water management system. The blend results in clean, clear, fresh smelling and silkier water.*

ECOPUR® CHARGE

This patent-pending filtration system takes the work out of maintaining your hot tub. It relies on a unique blend of copper and zinc that creates an electrochemical reaction to eliminate many microorganisms and remove heavy metals.

UV-C LIGHT

When germicidal UV-C light is exposed to water it inactivates microorganisms and breaks down chloramines.

* Optional. The Mast3rPur option is only available on hot tubs equipped with the QuietFlo Water Care System.

RELAX

Your Twilight is a superior energy-efficient hot tub and that means savings for you and your monthly utility bill.

DREAM LIGHTING Beautiful soft streams of light accent the exterior corners of your hot tub at night.

EXCEPTIONAL COVERS

Safety, protection and energy efficiency are all key components of our exclusive UL certified covers. Constructed using top grade marine vinyl with UV protection and high density foam, these covers lock in heat and last a long time.

Easy to own, easy to enjoy

Energy Efficient

All of our hot tubs are built to be used year-round in any climate. In fact, our environmentally friendly foam insulation makes Twilight Series hot tubs by Master Spas among the most energy-efficient hot tubs in the industry.

By expanding to tightly seal and secure all areas under your hot tub, our insulation:

- Prevents heat loss
- Retains its shape and efficiency for the life of the product
- Resists mold and mildew
- Reduces the noise of your spa
- Produces no ozone harming off-gas, environmentally safe

Every hot tub is built to not only meet but to exceed stringent energy-efficiency regulations. All resulting in what really matters — a superior spa experience and savings for you and your monthly utility bill.

A THERMAL BARRIER

Environmentally friendly foam insulation provides a consistent, comfortable temperature inside the hot tub, while cold air is kept outside.

Premium Options

BLUETOOTH SPEAKER Whether you are hanging out with loved ones or want to create a moment of calm, the right playlist can help you set the mood. This sound system has 40W power and a bass boost with up to 10 hours of playtime. It's designed to easily rest on the water features of the spa for superior sound quality.

HEAT PUMP Keep your Twilight Series hot tub at your perfect temperature year-round while saving on your monthly energy bill. This technology, which connects to your spa's plumbing, can efficiently heat or cool your

water. The heat pump is a dealer-installed premium option.

WI-FI MODULE Control your spa's primary functions using the optional remote capability module and Wi-Fi app. Simply download the app to set the lighting, water temperature and massage pumps to be ready when you are.

MASTER SPAS CARES

Master Spas is dedicated to helping people live life better. Our faith and beliefs guide us in partnering with local and national organizations for the greater good.

NAZ Children's Centre A school in Rose Hall, Jamaica, that specializes in learning strategies to accommodate the neurodiversity of their students. Master Spas and our dealers were proud to be a part of building a new elementary school in 2013 and a new high school in 2018.

The Crossing A faith-based high school that empowers struggling students to become contributing members of their communities through academics, job training, and character education.

Michael Phelps Foundation Works to promote healthy, active lives, especially for children, primarily by expanding the opportunities for participation in the sport of swimming. Programs include water safety, emotional wellness and grants for competitive swimmers.

St. Jude Children's Research Hospital

Leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases.

Lupus Foundation of America Works to advance lupus research and improve life for people living with lupus.

Michael J. Fox Foundation Dedicated to finding a cure for Parkinson's disease and to ensuring the development of improved therapies.

Tunnel to Towers Foundation Honors military and first responders who continue to make the supreme sacrifice of life and limb for our country, founded in memory of Stephen Siller who laid down his life to save others on September 11, 2001.
